

REMARKS

Prior to the payment of issue fee, please enter the following minor amendment to claim 39. The amendment is based on the Examiner's Amendment as indicated in the Notice of Allowance mailed on December 9, 2010.

As agreed by the Examiner in the telephone interview of November 16, 2010, the subject matter of claim 11 was incorporated into independent claim 39 to make claim 39 allowable. However, by inspecting the Examiner's Amendment issued on December 9, 2010, the Applicant realized that there was no definition of "the first BBU" and "the second BBU" in original claim 39 for a proper combination of claim 11 and claim 39 as it is indicated in the Examiner's Amendment. In order to perfect the claims, with this paper, claim 39 is amended, pursuant to 37 CFR 1.321, to recite "a BBU/the BBU" and "another BBU/the other BBU" instead of "the first BBU" and "the second BBU." It is believed that the amendment merely corrects a language issue and it does not go beyond the scope of the Examiner's Amendment. Entry of the amendment and proper issuance of the patent is respectfully requested.

Respectfully submitted,

March 8, 2011
